

What is InstruRental?

InstruRental is an affordable and accessible service where you can lease an instrument of your choosing in order to kick-start your musical hobby.

This service will provide the instrument, maintenance, recorded and check-up lesson and the additional tools for a set of beginner instruments. In addition to these practical parts, the service will also provide a community space where users can share improvements and ideas, ask questions and get feedback.

The Community

When the subscription starts you will get access to a special user section of this website.

there is a community page where every user can share video's, audio and comments.

This is where your purchase will be stated and the lessons can be accessed. On top of this

The community page can not only

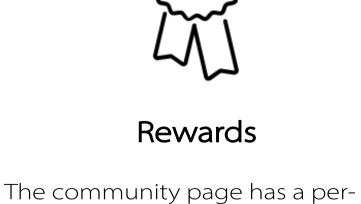

be accessed by the other users, but

also the professional musicians that give the lessons. They would also be surveying the page, answering any questions and giving feedback.

Every post can be reacted to with

likes and comments by the community. On top of this there is a voting section, where suggestions for topics for the lessons and the most liked posts will be featured and can be voted on to potentially win rewards. Giving the community a voice in our progressions.

sonal and community rewarding system. The personal one will give

you the opportunity to set goals and keep track of your improvements. The community rewarding system is based on the interactive voting. Every month the 5 most liked post will get nominated for "the best improver" price and the community will decide the winner.
